Community Carols bigger, better and back in the park

Today it was announced that the 2008 Bendigo Community Carols event will be moved from its former location at Lake Weeroona to Rosalind Park for a spectacular community event on Sunday December 21 at 6pm.

This year's event is being sponsored for the first time by Bendigo Community Telco. Bendigo Community Telco CEO Phil Lazenby is pleased the Telco is involved in funding the event, in conjunction with the ongoing annual input to the event by Rotary Club of Bendigo.

Mr Lazenby said "Community Carols is an example of what we are all about; making this community a better place to live and prosper."

President of the Rotary Club of Bendigo Mr Noel Hobleby said the Club is excited to have the support of a leading Bendigo group Bendigo Community Telco to present the event in 2008.

The event is being relocated back to its original home of almost 40 years in Rosalind Park having previously been held at Lake Weeroona for the past 5 years.

While this year's audience can expect an even bigger and better show than previous, the tradition of family entertainment for all ages will continue to be upheld at the candlelit event. This year's beneficiary will be the Bendigo Youth Choir who are also performing on the evening.

City of Greater Bendigo's Director of City Futures, Stan Liacos, is excited about seeing the carols held at Rosalind Park and is happy Bendigo Community Telco is contributing to the event.

"We're absolutely thrilled to have Bendigo Community Telco supporting this event. And we're particularly pleased that we are also able to bring this iconic community event back into the very centre of Bendigo," said Mr Liacos.

"Charing Cross and Rosalind Park in essence mark the centre of Bendigo and this is where our major Christmas Community Carols should be held. We anticipate a wonderful family atmosphere."
